Product Description

Ironcraft: Terminator Tree and Stump Remover

The IronCraft Terminator Tree and Stump Remover is an excellent addition to your landscaping arsenal. Our powerful American made 3.5" bore cylinders provide the clamping force needed to pull 12" trees and remove any size stump. The Terminator boasts a total of 66 AR400 teeth, 32 horizontal and 34 vertical.

Notes: Will pull 12" trees and remove any size stump.
