Product Description

Behlen: Post Hole Digger w/ 9" Auger

Economy w/ 9" Auger

- **Long Lasting:** Behlen Country's signature powder-coat finish means you can keep on digging season after season.
- **Cast Iron Gearbox:** Engineered for longevity, the durable cast iron gearbox ensures consistent performance under the most demanding field conditions.
- **Versatile:** Ideal for a wide variety of projects around your land including digging holes for posts, tree planting, sign installation, and much more.

Augers:

- **Superior Cutting Performance:** The precision-engineered carbide cutting edge slices through even the toughest soil and maintains its edge even after frequent use.
 - **Spiral Tip Design:** Ensures efficient soil penetration and smooth operation.
 - **3 Auger Sizes Available:** Choose from a 6," 9," or 12"-diameter auger, each sold separately, to tackle jobs of any size around your farm or ranch.
-
