Product Description

Behlen: 6ft Landscape Rake

Behlen Country's Landscape Rakes are a convenient way to work gravel, spread topsoil and mulch, remove debris, and do many other projects around your farm or ranch.

- **Heat-Treated Tines:** Each tine is heat-treated to increase hardness and overall strength, making them more resistant to wear and tear. 1"
 - **Spacing Between Tines:** Keeps material in place while diverting larger debris to the side. 360°
 - **Versatile:** The Landscape Rake is ideal for tackling a wide range of jobs, including removing rocks from your pasture, maintaining a gravel driveway, preparing a garden for planting, and much more.
 - **Long-Lasting:** With Behlen Country's signature powder-coat finish, our Landscape Rakes stand strong against the elements season after season.
 - **Sizing options:** Choose from 5', 6' and 7' widths to best suit your needs.
