Product Description

Kioti RX6640PC Utility Tractor

KIOTI RX6640PC utility tractor with power shuttle transmission, 66-horspower engine and factory installed cab. It is KIOTI Connect ready for seamless equipment management, providing real-time insights, maintenance tracking, and remote diagnostics.

Dependable Workhorse

Push-button 4WD and differential locks engage instantly with a single tap. The rear PTO is also engaged with a simple push, freeing you to focus on the task, not the controls.

Operator Comfort

Operators are kept cool and comfortable in the climate-controlled cab, while the plush, fully adjustable seat with generous suspension absorbs every bump and jolt.

Streamlined Hood Design

Improves visibility by providing an unobstructed view, the vertically opening hood allows for easy maintenance.

Eco-Friendly Diesel Engine

The whisper-quiet, eco-friendly Tier 4 CRDI engine improves fuel efficiency while reducing noise levels.

Safety Features

All RX Series models are equipped with Wet disc brakes, hydrostatic power steering, and adjustable seat belt. Headlights, safety lights, and a rear work light lets you see attachments and drawbars clearly, even in low-light conditions.

KIOTI Connect Capable

An intuitive app for seamless equipment management, providing real-time insights, maintenance tracking, and remote diagnostics.
